

CBBN Announces the Fall NECA/IBEW Award Winners

The Columbia Basin Big Nine Athletic Conference is proud to announce the fall winners of the NECA/IBEW CBL Award. The National Electrical Contractors Association and the International Brotherhood of Electrical Workers are proud to present the 5th annual recognition of these fine scholar athletes from each of the 14 CBBN schools. These two organizations are training electricians for the future.

NECA/IBEW encourage all high school students to explore, with their high school counselors, a career in the Electrical Construction Industry which provides salary levels that are above average and careers that last a lifetime.

On behalf of the National Electrical Contractors Association and the International Brotherhood of Electrical Workers we recognize the following NECA/IBEW CBL high school students who demonstrate superior balance in academics, athletics and community involvement.

The NECA/IBEW 2008 Fall GSL Athletes are:
